YOU TOO, like most of us, have probably despaired of ever actually seeing practical Television—but it's here at last! The new Don Lee Television Receiver, available in kit form, more than fulfills the hopes and expectations of those who have desired excellent image reception. You'll be amazed by the clear reception this kit affords.

And as usual, WHOLESALE RADIO SERVICE COMPANY can supply every component necessary in the construction of the receiver at the lowest wholesale prices. Write today for a free copy of the complete parts and price list. Use coupon below.

**RADIO**

5 TUBE AUTO RADIO

Simplicity of essential excellence are qualities of performance that are evident in the outstanding features of this modern design, built to afford the very best in sound reproduction. The stereo circuit that eliminates the need for external speakers is a super circuit that is often used in professional and broadcast sets.

Only $15.95 COMpletely

**SOUND**

Lafayette 20 WATT PORTABLE SOUND SYSTEM!

The most sensational amplifier ever offered—extremely versatile, it can be used in a multitude of ways. Can be used with two microphones simultaneously, ideal for the band leader, orchestra, floor show, window demonstrator, lecturers or musicians. A few of the features that make this equipment the "star" in the sound field are: New "two dial" (Neutrik) lighting facilities in operation; in dark room; "reverse feedback" circuit makes possible crystal clear reproduction with minimum distortion; automatic equalization; all metal tubes; 4 input channels and airplane baggage type cases. And most important, Lafayette Co-ordinated Sound System eliminates all guess work. All components of the system are scientifically grouped to obtain the finest possible fidelity of reproduction. Mail coupon for complete descriptive catalog.
