The text is a diagram of an electronic circuit. The components and connections are labeled with various resistors, capacitors, and other electronic parts. The labels include components such as 'Video Amplifier,' 'Split Acade Sync Separator,' 'Frame Oscillator,' and 'Line Generator.'
NOTES:
IN THE CASSOR SY: THE LINE TIMEBASE NEEDS THE Y PLATES.
THE FRAME THE X PLATES.
NORMAL PRACTICE Dictates THAT THE X PLATES ARE THE HORIZONTAL DEPRESSION PLATES.

THE COMPONENT VALUES MAY VARY FROM SET TO SET.
