

TELEVISION REALLY EXPLAINED

P.J. RISDON

WHAT
WILL BE
TELEVISED

HOW TO
INSTALL
A HOME
TELEVISOR

METHODS
OF
TRANSMISSION

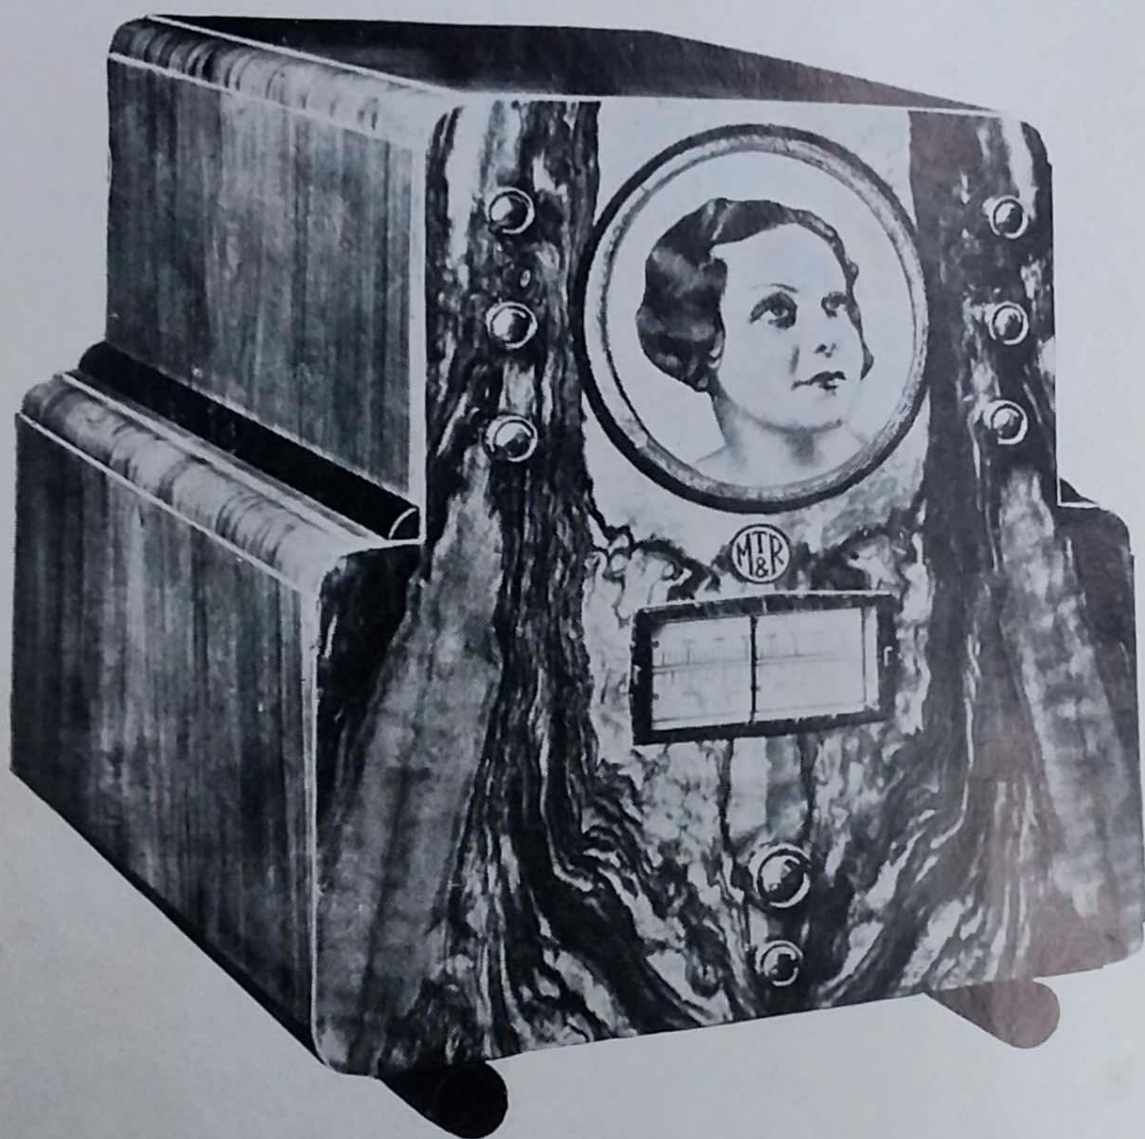

Recent developments in Television have brought about vast improvements in the definition and reception of pictures transmitted by Wireless. The time is coming when one will be able to sit at home and watch events taking place miles away. This handbook is a complete and up-to-date guide for all Wireless enthusiasts.
